Re: Resignation

Mr. Peel,

It is with a heavy heart, disappointment, and feelings of betrayal and deceit, that I submit this letter of resignation from my position as School Counselor at Bacon Academy with the Colchester Public School District effective June 21st, 2022.

I will complete the 2021 - 2022 school year, as it is in the best interest of the students, families, and Bacon Academy community.

This resignation is not by choice. I love Bacon Academy, its students, families, and professionals. However, according to the District I am not a "good fit." I am hurt. I am sad. And, I feel this is unfair and unjust. However, as an educator without tenure, this is obviously out of my control.

I truly appreciate my time at Bacon Academy. I appreciate every single student, family, and professional I was able to work and collaborate with. I hope they feel the same. I also appreciate all of the knowledge, experience, insight, and skills I learned during my tenure.

I wish for nothing but the best for the future Bacon Academy community. I just wish I could be a part of it.

Sincerely,

Rachel Kurek
